

SC Strip Cleaner Series
MODEL #SC-3

Cleans metal strip, cable, wire, hose, and other continuous material at speeds up to 200 feet per minute. It is a complete in-line ultrasonic wash-rinse-dry cleaning system incorporating patented Nearfield[®] technology. Can accommodate widths up to 10".

WRD 3 Tank Series
MODEL #WRD-1812-3T

This series offers powerful ultrasonic batch cleaning, rinsing, and drying in one efficient space-saving cabinet. Tank sizes range from 16"x9" to 30"x24". For multi-step processes, additional stages, such as two or more rinses, are optionally available.

WRD 2 Tank Series
MODEL #WRD-2518-2T

This space saving 2-tank model combines manual rinse and dry functions in a single tank. Available in three tank sizes: 25"x12", 25"x18", 30"x24".
